PREFACE

This report of faculty and administrative personnel salaries paid during the 1989-90 academic year is the 22nd such annual study conducted by the American Assembly of Collegiate Schools of Business in the current series. All AACSB member institutions in the United States were invited to participate in the survey. The salary survey questionnaire was mailed to over 660 member institutions. Of these, 495 responded. The table below indicates categories of respondents and percentage response from each category of AACSB membership:

	AACSB Membership	Number Responding	Percent Responding
Private Educational Institutions			
Private Accredited	79	76	96.2
Private Nonaccredited	199	106	53.2
Public Educational Institutions			
Public Accredited	180	169	93.8
Public Nonaccredited	203	144	70.9
	661	495	74.8

The survey includes salary data on over 24,300 faculty members and 3,300 administrators, one of the largest responses from the AACSB membership, both in number of faculty and number of institutions, since the survey's inception.

Salary information was collected in thousands to one decimal point. Salaries of faculty were collected as nine or 10-month equivalent salaries to allow direct comparability to data collected and disseminated by the American Association of University Professors. Administrative salaries are collected on a 9-month/12-month breakdown. Of the 3,384 administrative salaries reported, 992 were paid on a 9-month basis, while 2,392 were paid on a 12-month basis.

Salary data for faculty were collected in 27 fields of specialization plus a category entitled "other." For reporting purposes, the data were grouped into the following 15 fields:

Reporting Area	Including
Accounting	Accounting, Taxation
Behavioral Science/Organizational Behavior	Behavioral Science/Organizational Behavior
Business Education/Business Communication	Business Education/Business Communication
Business Law/Legal Environment	Business Law/Legal Environment
Management Information Systems/ Computer Information Systems	Management Information Systems/ Computer Information Systems
Economics	Economics
Finance	Banking, Finance, Insurance, Real Estate
International Business	International Business
Management	Management
Marketing	Marketing
Personnel	Industrial/Labor Relations and Personnel
Production/Operations Management/ Managerial Economics	Production/Operations Management/ Managerial Economics
Policy and Control	Policy and Control
Quantitative Methods	Operations Research, Quantitative Methods, Statistics
Other	Health Services/Hospital Administration, Hotel/Restaurant/Tourism, Industrial Administration/Industrial Management, Public Administration, Transportation/Logistics, Urban/Regional Planning/Development, and Other

Data were collected indicating each salary as applying to a male or female. The results for salaries of women who are full-time faculty members in collegiate schools of business are provided in the table below:

Rank	Total Reporting	Range /1000	Mean /1000	Median /1000
Professor	469	24-102	53.0	53-54
Associate Professor	1026	20-84	45.7	46-47
Assistant Professor	1895	18-77	41.8	43-44
Instructor	831	13-57	27.0	26-27
New Doctorate	112	24-65	46.8	48-49
ABD	112	23-68	43.8	45-46

Women comprise approximately 16.6 percent of the faculty at AACSB Accreditation Council member institutions and 21.6 percent of the faculty at non-Accreditation Council member institutions surveyed. Women new doctorates received salaries that averaged 98.1 percent of the salaries paid to all new doctorates and women ABDs received salaries that averaged 99.5 percent. This represents an increase from last year when corresponding percentages were 98.9 and 98.8 percent respectively. Overall, for AACSB member institutions, averages for women faculty were below those for all faculty at the academic ranks of professor, associate professor, assistant professor and instructor; respective percentages were 87.4, 95.2, 96.0 and 90.9.

The Salary Survey is prepared with the cooperation and assistance of AACSB member institutions and their staffs. Mary Jo Gust, AACSB information/system administrator, was responsible for data preparation and analysis. Peggie Baker, AACSB staff associate-accreditation, prepared the statistical pages. Rick Peters, AACSB systems manager, provided special assistance. It is hoped this report will continue to provide valuable information to administrators and faculty alike. Comments and suggestions for improvement are appreciated. Additional copies of this publication can be ordered through the AACSB Subscription Department, 605 Old Ballas Road, Suite 220, St. Louis, MO 63141-7077 (314-872-8481).

AACSB's Salary Survey Inquiry Service provides a popular mini salary survey report based on a requested group of up to 25 institutions that a dean (or other administrator) designates as comparable to his or her own institution in terms of size, program, mission or any of a number of other attributes. Fee for this specialized service is $60 for AACSB institutions that participated in the current year's salary survey and $120 for those that did not participate. For further information or to request the inquiry service, contact Mary Jo Gust, information/system administrator.

December 1989

TABLE OF CONTENTS

FACULTY

Combined Faculty 1- 3
Accounting 4- 6
Behavioral Science/Organizational Behavior 7- 9
